

The Vision for “Grand Avenue Market”

- *Top of the Line Meat Department*
- *Well Stocked and Fresh Vegetable and Fruit Department*
- *Grocery Delivery for Those in Need*
- *Online Grocery List – An Employee Would Fill the Order & Deliver*
- *Companion Shoppers*
- *Special Diet Items Marked Clearly - Such as Heart Healthy or Gluten Free*

A Commercial Kitchen to Provide the Communities With:

Healthy Cooking and Snacking Classes for Adults & Children

Special Diet Cooking Classes

Ethnic Cooking Classes

Meal Prep. Sessions, Nutritious Meals to take home for Immediate Use or Freeze for Later

Dream Dinners – Order Ahead to Pick Up Your Dinner on the Way Home

Rent the Kitchen out to Entrepreneurs for Preparation of Products for Resale

We have a Commitment from a Pharmacist to Deliver Prescription Medications Daily!!!

The Grocery Store Would be the Drop-off Point

This would be a Tremendous Benefit for all Ages.

It Would No Longer be Necessary to Drive a Minimum of 28 Miles

In Order to Get Your Prescriptions Filled!

With a Grocery Store in Town Many Would Eat and Snack Healthier.

The Elderly Would Be More Independent, and Not Need to Rely on

Family & Friends to Take Them Shopping or do it for Them.

Bottom Line --- They Could Stay Living in Their Own Homes Longer!

Grand Avenue Market Will be a Grocery Store

With Many Additional Services and/or Features.
